The screenshot shows the official website of the Mianyang Education and Sports Bureau. The header features the bureau's logo and name in Chinese, along with a search bar. A navigation menu includes links for Home, Mianyang Education, Mianyang Sports, Government Information Disclosure, Government Services, Public Participation, and Document Distribution. The main content area displays a news article titled "四川中医药高专被教育部列为第三批现代学徒制试点单位" (Sichuan Traditional Chinese Medicine Higher Vocational College is listed as the third batch of modern apprenticeship system pilot units by the Ministry of Education). The article text, dated August 13, 2018, states that the college was selected as a pilot unit for three specialties: nursing, rehabilitation therapy, and medical oral technology. It highlights the college's commitment to internal development and industry-academia cooperation, and its success in becoming a pilot unit for the second batch of modern apprenticeship system in Sichuan province. The article describes the college's teaching philosophy, which emphasizes early clinical practice and multi-practice, and its goal of cultivating high-quality, skill-oriented nursing talent through a modern apprenticeship model.
